## EML Announces Multi-Year Agreement with Betsson Group

---

EML Payments Limited (**ASX: EML**) (**EML**) is pleased to announce that its wholly-owned subsidiary EML Payments Europe Limited has entered into a multi-year agreement with Betsson Group for the provision of branded reloadable cards. The cards can be used by Betsson customers to immediately access their winnings and remit funds back into their gaming account.

Betsson Group operates more than 20 i-Gaming brands including Betsson.com, Betsafe.com, Nordicbet.com and Casineuro.com, offering mainly Sportsbook and Casino products. Betsson is licensed in eleven countries throughout Europe, including Malta, the United Kingdom, Ireland, Italy, Germany, Estonia, Latvia, Lithuania, Denmark, Spain and Georgia. Betsson employs around 1900 employees and operates from five key locations including London, Stockholm, Malta, Tallinn Estonia and Tbilisi Georgia.

EML Group CEO, Tom Cregan, said, “Betsson is an innovator in the gaming industry, continuously reinventing and developing new ways to delight their customers. EML’s strategy aligns perfectly with their philosophy, and we are appreciative of the opportunity to help Betsson take their popular gaming brands to the next level of consumer experience”.

The commercial terms and timing of the product launch are commercial in confidence, and EML will provide an update to shareholders at the appropriate time. The program is subject to standard regulatory, bank and scheme approvals.

### About EML

EML Payments Limited, EML Payments Europe Limited, EML Payments Canada Limited and EML Payments USA, LLC have come together under one exciting new brand: EML. With payment solutions from EML, you will be empowered with more control, transparency and flexibility over your payment processes. Our combined portfolio offers innovative payment technology solutions for payouts, gifts, incentives and rewards, and supplier payments. Together, we issue mobile, virtual and physical card solutions to some of the largest corporate brands around the world, process billions of dollars in payments each year, and manage more than 800 programs across North America, Europe and Australia.
