BRANDON THOMPSON JOINS AS CHIEF COMMERCIAL OFFICER

EML Payments Limited (**ASX: EML**) is pleased to announce Mr. Brandon Thompson joins the executive team as Chief Commercial Officer commencing on 1 June 2018. Brandon will report to EML's Managing Director and Group Chief Executive Officer, Tom Cregan and be responsible for global business development, product strategy and technology, ensuring that we are leveraging our various assets to accelerate revenues and earnings across our business units and the Group.

Mr Thompson, who resides in the United States, has a wealth of experience in the Prepaid financial services industry. For the past 10 years, he has been at the US market leader in Reloadable products, Netspend Corporation (wholly owned subsidiary of Total Systems Limited, TSYS), where he created and led the product management function before taking over the Retail Channel as Senior Vice President. He led the expansion of sales and load locations from 8K to more than 90K, including Walmart, CVS, Walgreens, 7/11, Dollar General and Kroger, in addition to bringing on key partnerships with PayPal, Western Union and a number of General Purpose Reloadable retailer white label programs.

Previous to his time at Netspend, he created and led product management for the prepaid division of Euronet (EEFT), where he worked to coordinate and leverage product and strategy across a number of markets including the US, Europe and Australia.

About EML

With payment solutions from EML, you will be empowered with more control, transparency and flexibility over your payment processes. Whether you serve businesses or consumers, EML makes your payment process more efficient and secure from start to finish, while helping you improve customer service and increase brand loyalty. Our portfolio offers innovative payment technology solutions for payouts, gifts, incentives and rewards, and supplier payments. We issue mobile, virtual and physical card solutions to some of the largest corporate brands around the world, process billions of dollars in payments each year, and manage more than 1,100 programs across 19 countries in North America, Europe and Australia.
